

Putnam City High School 2019-20 Season Review

The 2019-2020 season ended for the boys' basketball team in the first round of the playoffs with a 12-12 record. At the Mustang Holiday tournament, the team finished with a third place trophy and senior point guard Kendural Jolly received all-tournament honors. In a weeks stretch of games the pirates defeated rival Putnam North in front of a home crowd and followed that up by traveling to Lawton and giving the Wolverines one of their three losses on the season. Kendural Jolly has yet to commit to one of the teams recruiting him to play college ball but will soon, as will N'Kozi Harris. The pirate's most memorable moment this year was defeating the Lawton Wolverines on the road in a hostile environment.
